Las Vegas (September 1, 2008) - Deborah L. Danielson of Danielson Financial Group was recently named as one of the “Top 100 Independent Financial Advisors in the U.S.” by *Registered Rep* magazine.

The August 1st issue of Registered Rep ranked Deborah #50 on the prestigious list, which highlights the most prominent independent advisers in the field. The ranking by the monthly trade publication was based on the 100 largest advisors in the independent broker/dealer world of assets under management.

“This accomplishment speaks to their impressive growth, and the important role an LPL advisor has within each community to help clients achieve their dreams and aspirations” said Bill Dwyer, President of LPL Independent Advisor Services.

Registered Rep. is the most trusted magazine for the retail investment professional, serving more than 125,000 brokers, financial advisors and financial planners with award-winning coverage of industry trends, news about the firms, and the latest products and innovations. It’s no wonder that recent independent industry research shows that Registered Rep. is the industry’s best read, most useful and most relied upon magazine among all financial industry publications.
